DEPARTMENT OF THE ARMY
6TH MEDICAL LOGISTICS MANAGEMENT CENTER (MLMC)
693 NIEMAN DRIVE
FORT DETRICK, MD 21702-5000

Welcome to the 6TH MLMC,

The U.S. Department of the Army has assigned you to the 6th Medical Logistics Management Center located at Ft. Detrick, Md. Your sponsor will be contacting you shortly with specifics about our unit and the mission we perform.

Visit our website at <http://www.detrick.army.mil/> for information on Fort Detrick, a link to the City of Frederick, Md., our post phonebook, and links to the various activities and services on the installation such as child care and Army Community Service. Key relocation information can be found at <http://www.detrick.army.mil/relocationreadiness/>. Additional information on Fort Detrick as well as links to other resources for relocating families can be found at <http://www.militaryonesource.mil/>.

To make your relocation as smooth as possible, contact your sponsor immediately and inform them of your arrival date and time. Let your sponsor know if you are single or married. This is important for determining your housing upon arrival. Neither DOD nor the Army operate a bus from local airports, so be prepared for the cost of a civilian transportation service. Your sponsor can provide you with more information regarding transportation options when you speak with them.

On-post housing is managed by a private contractor, Balfour Beatty Military Housing, as part of the Army's Residential Communities Initiative. For more information visit www.ftdetrickhomes.com, or call 240-379-6518. For a list of off-post housing, contact our housing office at 301-619-5033 or DSN 343-3224. You can also email the Housing Management Clerk, Ms. Sherry Heffner, at sherry.heffner@det.amedd.army.mil for a list of referrals. Current Basic Allowance for Housing rates can be obtained on the finance page on your AKO account.

For temporary lodging, we recommend checking with your sponsor for up-to-date information on lodging. Keep in mind that your TLA is based on Fort Detrick's per diem. The following website, <http://www.hotels.com/de1532872/hotels-frederick-maryland/>, list reasonably priced lodging options.

Moving can be a stressful time for Soldiers and their families. If you or any member of your family needs assistance, please contact our Chaplain's office at 301-619-7371; Treatment Medical Center at 301-619-7175; or a counselor through Military One Source at 1-800-464-8107 (www.militaryonesource.com).

The 6th MLMC Leadership is looking forward to meeting you and your family. Feel free to contact the Detachment Sergeant, SFC Cosby, during your transition. His office number is 301-619-7672.

Sincerely,
Michael D. Stockdell
